SLIDING FEE DISCOUNT PROGRAM

Background of Sliding Fee Discount Program

The Sliding Fee Discount Program is a Federal program that permits the El Dorado Community Health Centers to discount normal charges for medical, behavioral health and dental service visits. According to law, it requires two pieces of information in order to qualify: the amount of money earned in the household and the number of people who live in the household. In order to be eligible for the Sliding Fee Scale, you must provide accurate and acceptable proof of income as well as list all persons within the household. **Only appointments seen within 10 business days prior to submitting the application will be covered under the SFDP otherwise you will be responsible for 100% of all charges.** You must report any changes in family income or number of members in the household when these changes occur. **Falsification of this information will result in forfeiture of Sliding Fee Discount privileges.**

Eligibility

All patients are eligible to apply for the sliding fee discount program. Determination of the discount, if any, is dependent upon household income and household size in comparison to the current Federal Poverty Level guidelines (FPL).
